INFORMATION ON SUBMISIONS

You may submit your solutions **any number of times**, only the best one (**fastest** in execution time) will be displayed. However your instructor will be able to see them all. Note that this homework will only consider submissions made in the programming languages and within the time interval defined by the professor. **Parth Gupta** defined that the **Assignment-3** homework should only take into consideration submissions made since Tuesday, August 23, 2016 at 10:42 AM up to Wednesday, August 31, 2016 at 10:42 AM.
